Halal Development Corporation

Halal Development Corporation (HDC) is the world's first Government-backed halal industry development agency under the Ministry of International Trade and Industry; established to spearhead the development of Malaysia's integrated and comprehensive halal ecosystem; and to position Malaysia as the most competitive country leading the global halal industry.

HDC plays a key catalytic role as industry development mover across the Halal ecosystem. We advise the government on Halal industry strategic direction, coordinate the implementation of action plans, provide industry intelligence, facilitate industry growth and promote the "Halal Malaysia" brand to achieve effective industry ecosystem based on the following focus areas:

- Improving Governance Mechanism
- Creating New & Bigger Market Spaces
- Fostering Industry Competitiveness
- Empowering Thought Leadership

Tapping on the abundant opportunity available, HDC offers its expertise on the branding and promotion; and commercial development of halal products and services, through Halal Integrated Platform, Halal Training, Halal Consultancy, and Halal Parks. Please visit HDC at www.hdcglobal.com for more details.

Visitor Guidelines and SOPs

To ensure the safety of our visitors attending FHI 2022, we will implement stringent SOPs as set by the Government and approved by the organizer as follows:

Visitors are required to pre-register before coming to the event to limit the number of people present in the exhibition hall.

Only fully vaccinated individuals are allowed to enter the exhibition hall and access other facilities of Jakarta International Expo, Kemayoran.

Visitors are required to observe strict personal hygiene practices including wearing masks, practicing social distancing and sanitization.

Temperature screening & Peduli Lindungi scan will be carried out for all visitors before they enter the exhibition hall. If their temperature is high (37.5° C) or they present COVID-19-like symptoms (such as cough, sore throat, or shortness of breath), the organizer will advise them to go to the nearest clinic. They will not be allowed to enter the exhibition hall.

If the exhibition hall reaches the maximum occupancy during the visiting hours, visitors will be guided to a designated "waiting area".
